BRIEF DESCRIPTION OF OUR EVENT

We, Tom Ringwalt & Steve Tefft, have traveled to tattoo conventions for the past 16+ years to identify important factors in making a tattoo expo successful and to better understand their popularity with the public. We have combined these aspects together with great ideas and are sure this event will be one of the most organized and exciting events in New England in which it has proven just that! Much time, effort and research go into putting on a show this massive.

The New England Tattoo Expo has over 400 international, national and local professional tattoo artists, many various vendors, and about 10,000+ attendees throughout this entire weekend. Our goal is to make this event fun, exciting, and successful each year. That being said, it would be greatly appreciated to get as much sponsors as we can to help accomplish our goals in making this event the best ever and the premier “go to” tattoo gathering in New England.
